Response To Questions No. 4

Questions and Clarifications since November 24, 2004:

1. Question<sub>15</sub>: I want to clarify exactly which participants on a Submitter's team needs to complete Form B. RFQ section 6.6.2 -A states that the Submitter shall complete Form B for each Major Participants that will perform work in the project. Can we interpret this to mean Major Participants as defined by RFQ section 4.1 (a). The form appears to be more relevant to the actual design/builder and not engineers.

Response<sub>15</sub>: Form B shall be completed for all Major Participants as defined in Section 4.1, including both design and construction entities.

Submitters shall include Form AA in Section 1 of the SOQ with evidence of receipt of this Response To Questions.
